PLAIN TEXT VERSION

Dear Credit Card Issuer Team,

I am writing to request a review of the credit limit on my account ending in [Account – last 4 digits]. Based on my long-standing relationship with your institution and my history of responsible credit management, I would like to request an increase to a total limit of [Requested Limit].

I have consistently made my payments on time and have frequently paid my balance in full. Over the past year, my financial situation has remained stable, and I believe my current credit profile supports a higher limit. Increasing my credit capacity will allow me to utilize the card for larger necessary purchases while keeping my overall utilization percentage low, which is a priority for my credit health.

I value the services provided by your institution and prefer to continue using this card as my primary method of payment. A higher limit would provide the flexibility needed to accommodate my evolving financial needs.

Please let me know if there are specific forms or additional financial details required to finalize this review. I am happy to provide any information necessary to support this application.

I look forward to your positive response.

Best regards,
